NDIS Services

YAFA may be able to help. Under your NDIS plan's 'Therapeutic Supports' the NDIS commonly uses words like "funds to access an allied health professional" – which includes a counsellor. Depending on your plan, this is generally flexible so that you can access the services best for you to 'improve daily living skills'.

Participants who self-manage or have a Plan Manager to manage their NDIS plan, can use non-registered providers like YAFA.

To contact YAFA to see if we are the right organisation to help you – email us at **reception@yafa.com.au** or call **07 3886 2777** and leave a message and we will get back to you.
