YAFA AND THE \$50 CLUB

Youth and Families Association of Pine Rivers Inc (YAFA) is a charity based on Christian values supporting our local community. Our Counselling Service is primarily funded by the Queensland State Government. This funding enables YAFA to provide support to Youth and Families through counselling, care and self-development.

Your monthly donation will help us support more vulnerable people who are not covered by our current levels of funding. It will also help with administration, technology, outside professional assistance, and volunteer training. Your donation will help YAFA to fulfil its ministry objectives in these areas.

YAFA is a registered charity and donations of \$2 and over are tax-deductible.

HOW YOUR DONATION HELPS

Testimonies

A local community agency recommended me to YAFA as my 8 year old had some behavioural issues causing problems at home as well as at school. This behaviour had led to him being suspended from school on a couple of occasions. I was grateful for a controlled environment where he felt safe to express himself through the resources and play, especially as he was nervous when attending his first session. My son said "I liked the bear cards. They helped me remember and keep calm at school, at home and also when we go out."

I'm a mother who has been able to access YAFA's help and support over the last decade, for a variety of issues, including assisting my parenting journey every step of the way. Nothing is too much trouble and I absolutely recommend the counsellors at YAFA to anyone seeking therapy.
